

## Public Way Curb Ramp Installation Request Form

Salt Lake City is committed to providing a citywide accessible sidewalk network for individuals of varying abilities. If you or someone you know would benefit from the installation of an accessibility ramp in your neighborhood, please fill out this form and mail it to us.

All ramp requests will be added to our high priority construction list and installation will occur as soon as funding allows.

Your feedback is very much appreciated as we create a municipal environment that is accessible and enjoyable for all.

**Locations where ramp is needed (example: 200 East and 300 South, NW and SW corners)**
