

Salt Lake City Planning Division Notice of an Open House

The intent of the Open House is to obtain public comments and input prior to any public hearings for the items listed below.

As the open house is not a public hearing, items are presented in an open forum style, rather than in any given order. Booths will be set up for you to review materials and talk with planners and applicants of each petition. Since it is very difficult for us to inform all interested parties about these items, we would appreciate you discussing this matter with your neighbors and informing them of the meeting.
