

On behalf of the Rose Park Staff,

We welcome back all those returning for the 2008 season. The last few seasons have been a major improvement on the years past, and 2008 will be no different. In addition to some changes being made to the league staff, we also will be adding some new formats for the season, to help boost the interest and participation level that our league has been in need of the past few seasons.

This year we are hoping for a lot of breakthrough moments that will define our league from some of the other courses in the state. We have some of the neatest people that come and play our golf course. Our course is and has been one of the best kept golf courses in the state for nearly a decade. And as a league, we are very proud of the fact that our golf course, stands head and shoulders above so many others. And for that reason, we are lucky to have some of the best golfers in the state as part of our league.

Our league exists not because of the golf course itself, and not the staff that run it, but it exists because of us as players, the staff, and the course as a whole. We strongly encourage those who are returning members to bring anyone and everyone the next time you come out. We also want the league this year to really take off. With that we need more players to join, and more of our members to play more often. For that reason we are going to implement some new ideas that will really make it not only fun, but exciting for those who come out.

Derek Schmehl, our PGA Professional, has done an amazing job, transforming our golf course into a top place to play, and he has done wonders for our flagship tournament, the rose park open. Our league is only going to improve with someone of is integrity and dedication in its presence.

So, we can't wait for the 2008 season to get started. With the recent snowfall we have had, the golf course is going to be in the best shape ever, and we're going to have an incredible place to play.

Let's all make our course, and our league, an elite place to play.

Fondly,

Rose Park Men's League Staff.  
Men's League President,  
Gayle Henderson.
