2006-2007 MINI GRANT GUIDELINES

The Salt Lake City Arts Council’s **MINI GRANTS** provide flexibility for limited funding requests that may arise during the year. Mini Grants are available to nonprofit organizations who develop a project during the year out of special circumstances or unusual opportunities. The funding for this category is limited. In general, grant awards will be \$500 or less.

Organizations funded through General or Project Support are ineligible for Mini Grant funding. The Mini Grant category is not an alternative for submitting late applications or missing deadlines in other categories. Only one Mini Grant may be awarded per year to eligible applicants.

Mini Grants are evaluated quarterly. Tentative Mini Grant application deadlines for 2006-2007 are as follows:
