City Council Member: District 4 – Luke Garrott
- 7:15 pm CCNC web site
- 7:30 pm Adjourn

*Next month we have invited a representative from the East Broadway Merchants Association to talk to us about the new activity they are seeing with new shops opening and long time businesses leaving. We will also see a smaller scale proposal for a condo project near Fred Smiths that was brought before CCNC sometime ago. The address is 540 E. 500 S.. Their intent is to reuse the existing structure instead of demolishing and building new.*

Although we meet at the Liberty Senior Center, Central City Neighborhood Council is for every one of all ages and we encourage teenagers as well as adults to attend. We frequently have issues brought before us which require a vote from those in attendance. Only those people who live or own a business within the CCNC boundaries are eligible to vote but remember anyone and everyone is invited to attend.
