**Item 3**      Crime Report  
Each month the Salt Lake City Police Department prepares a report of criminal activity for each Community Council area. Statistics show that crime is lowered in part, due to good citizens keeping a watchful eye on our homes and streets and reporting concerns to our SLC Police officers in a timely way. The website that records all criminal activity for the city can be accessed by going to [www.slcpd.com](http://www.slcpd.com).

The total offenses for our community for the month of December decreased from 66 to 49. Specifically: auto thefts went from 8 to 8, gang related from 1 to 2, burglary incidents from 3 to 10, car prowls from 19 to 4 and damaged property reports went from 24 to 18, this number includes damage to businesses, homes, cars and graffiti damage. We have shared here only 5 of the 11 areas that are reported monthly. Of the 24 Community Councils we are in the middle of the group this month being number 13 of 24.

Information is available on how you can be more involved in our community crime prevention through our Neighborhood Watch and Mobil Watch programs. These programs are working for us. Get involved! Contact a member of the Rose Park CC Board for information.
