Salt Lake City Council Seeks Comment on Potential New City Flag

The City Council has scheduled a public hearing to receive public comment regarding a possible new city flag. The public hearing will be held on October 3, 2006 at 7:00 p.m. at 451 S State St. Room 315. A new flag design was created by a committee of representatives of the City Council and Mayor's Office after receiving input from interested designers and other individuals of the community. In August 2006, a survey was conducted on the city's web page comparing the existing flag with the committee's proposed new flag. Of the 477 individuals participating in the web survey, 368 or 77% indicated a preference for the new design. The City Council would like to obtain additional comment. Images of the proposed flag and the current flag are attached. Comment can also be provided by email (council.comments@slcgov.com) or telephone (535-7654) by October 3, 2006.
