

Salt Lake City Corporation
EXCAVATION RESTRICTIONS

In accordance with Salt Lake City Ordinance 14.32.085 (Excavation Restrictions), this publication identifies the public way projects scheduled for construction in Calendar Year 2010, including the nature of the work and excavation restrictions, and the effective date and duration of excavation restrictions. A GIS map showing the 2010 construction projection and previously established excavation restrictions can be viewed on the City's website at:
